Watauga County:
Special Education PTA:

Connect with your child's school and community: Join the newly formed Special Education PTA!

Every voice matters when it comes to making your child’s school the best it can be. Parents throughout Watauga County have established the county’s very first Special Education PTA. The SEPTA will help support school and community efforts to influence positive changes in our children's education. The SEPTA will connect parents with resources to support students in education, the arts, health and safety and community engagement. Come shape the future of this community group!

Contact Diane Coffey at cmdiane@skybest.com to join the first planning meeting.
